Oyo State.  
Sir,**

**LETTER OF REQUEST FOR LAND SPACE FOR AGRICULTURAL PARCTICE**

I, Isola Adeyemi and Ikeh Charles from the department of Agricultural Engineering with matric number 147427 and 141055 respectively humbly request a land space from the Faculty of Agricultural science for the cultivation of cucumber.

This will further increase our knowledge on the cultivation of cucumber on a large scale and we believe will serve as a medium of learning for the interested pupils from the Faculty of Agricultural Science.

We will be glad if our humble request is being considered and accepted.

**Yours faithfully,**
